

BEAUTIFUL. DURABLE. RENEWABLE. CORK FLOORING.

THE ECO-NOMICAL SERIES

SIMPLY THE BEST VALUE IN FLOORING ON THE MARKET TODAY.

Enjoy the warmth, comfort and durability of a real cork floor. Featuring a rich, attractive design accented with recycled wine cork stoppers, it's a true conversation piece!

For thousands of years, cork has been used for stoppers in wine bottles. Now, we offer an innovative way to recycle reusable stoppers into luxurious flooring!

Eco-friendly, great style, superb value. Eco-Nomical Series helps enhance your interior and the world.

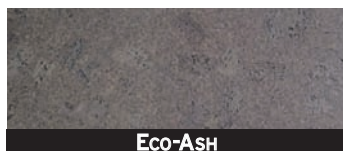

Our Eco-Nomical Series is a premium floor that is incredibly durable, absorbs sound, and is warm and comfortable under foot—yet affordably priced. Compared to hardwood, tile, carpet or laminate flooring, it's simply an unbeatable value!
