## Chatham Plank

### Features

- Moisture resistance, durable and easy to clean
- Constructed using VersaLock AG Technology that reliably secures the flooring panels on all four sides without adhesive.
- Virgin vinyl that's durable and easy to clean
- The locking mechanism on all VersaLock products passes the same tough standards as our laminate flooring. Shaw exceeds 25,000 cycles during NALFA's Caster Chair Test. Competitive products have been shown to fail below 5,000 cycles
